

## At the beginning of July,9 slag pots were sent abroad

In order to successfully complete the customer's slag pot delivery, CHAENG carefully deployed and coordinated the production and manufacturing department, the supply department, the technical center, and the quality inspection department, etc., and completed the production of slag pots in a short period of time with high quality. Mission, delivery of products on time, in early July, 9 pieces of slag pots are transported to Tianjin Port, Shanghai Port.

Sent to Germany
